- (1) GUA1 slot was awarded to the second-best club of Costa Rica due to the ongoing suspension of the Guatemalan Football Federation by FIFA.
- (2) Tigres UANL is the 2017 Apertura second place finisher, but already occupies a top-seeded position (MEX1), so they vacate the secondary position, which is allocated to Club Tijuana, Mexico's non-finalist club with the best regular season record.
- (3) FC Dallas is the 2016 US Open Cup Champion, but already occupies a higher-seeded position (USA2), so they vacate the secondary position, which is allocated to the Colorado Rapids, 2016 MLS Supporters' Shield second place finisher.
