7. WITHDRAWAL, UNPLAYED MATCHES AND ABANDONED MATCHES

- 7.1 After the participation agreement is signed, all PMAs have the obligation to play all of their matches until eliminated from The Competition.
- 7.2 Any PMA that withdraws up to thirty (30) days prior to the start of the Concacaf Boys' Under-15 Championship is liable to a fine of at least fifteen thousand dollars (USD 15,000). Any PMA that withdraws within thirty (30) days before the start of the Concacaf Boys' Under-15 Championship or during the Concacaf Boys' Under-15 Championship itself, shall be fined at least twenty thousand dollars (USD 20,000).
- 7.3 Depending on the circumstances of the withdrawal, the Concacaf Disciplinary Committee may impose sanctions in addition to those provided for in par. 7.2 above, including the expulsion of the Member Association concerned from subsequent Concacaf competitions.
- 7.4 Any match which is not played, or which is abandoned – except in cases of force majeure recognized by Concacaf – may lead to the imposition of sanctions against the relevant Member Associations by the Concacaf Disciplinary Committee in accordance with the FIFA Disciplinary Code and upon its entry into force, the Concacaf Disciplinary Code. In such cases, the Concacaf Disciplinary Committee may also order that the match be replayed.

If in the case of an abandoned match, the winning team had already reached a higher score at the time the team in question left the field, then the higher score shall remain. Medical/Doping

24. MEDICAL/DOPING

- 24.1 In order to protect players' health as well as to prevent players from experiencing sudden cardiac death during matches at The Competition, each PMA shall ensure and confirm to Concacaf that its players and officials undergo a pre-competition medical assessment (PCMA) prior to the start of The Competition. The PCMA will include a full medical assessment as well as an EKG to identify any cardiac abnormality. If the EKG is abnormal, an echocardiogram must be obtained and be normal before a player can be released to play. The medical assessment must be carried out between 270 days and 10 days prior to the start of each match during The Competition. Concacaf will provide a PCMA form to all PMAs.
- 24.2 The duly licensed medical representative of each PMA (i.e., national team doctor) will be required to sign the PCMA declaration form certifying the accuracy of the results and confirming that the players and officials have passed the pre-competition medical assessment. The medical assessment form shall also include the signatures of the President and General Secretary of the PMA and shall be received by the Concacaf General Secretariat at the latest ten (10) days prior to the start of The Competition.
- 24.3 Further to the above, each PMA is required to have a duly licensed medical professional (i.e., a doctor) as part of their official delegation. Such doctor must be fully integrated and familiar with all medical aspects of the delegation and must remain with the delegation throughout the entire official period of The Competition. The Match Officials (the Referees) will refer to such team doctor in all cases as required and necessary.
- 24.4 Concacaf shall not be held liable for any injury sustained by any participating player or official. Equally, Concacaf shall not be held liable for any incident (including death) linked to any injury or health problem(s) of any participating player or official.

- 24.7 Regarding non-traumatic loss of consciousness during a game, the referee will assume sudden cardiac failure until proven otherwise. The hand signal is the right-hand fist against the chest. Such signal will indicate to the team doctor and the medical emergency team (stretcher team) to immediately institute comprehensive resuscitation that includes the use of a defibrillator (AED) and CPR. It is the responsibility of the Host Venue to ensure that there is a properly functioning AED immediately at hand and that there is an ambulance with an access and egress plan.
- 24.8 During the match, if there is a traumatic head injury and concussion to a player, and the player remains on the field of play, the referee shall stop play for as much as three minutes as injury time. The hand signal is the right fist on the top of the head. Such signal will indicate to the team doctor to enter the field to assess and manage the player. At this time, a Sideline Concussion Assessment Test (SCAT) will be administered. At the end of the three minutes, at the discretion of the team doctor, the player may be ready to return to play or immobilized appropriately and transported off the field using the standard protocol.
- 24.9 Further to the above, in regard to traumatic head injury and concussion, full return to play after a previous concussion must include no signs or symptoms of the previous head injury as well as an acceptable Sideline Concussion Assessment Test (SCAT) assessment.

The TUE approval system includes a designated administrative and functional committee that will review applications and certify the exemption as the committee defines.
- 24.11 Doping is strictly prohibited. The FIFA Anti-Doping Regulations, the FIFA Disciplinary Code and all other relevant FIFA as well as Concacaf Regulations, circulars and directives shall apply to all Concacaf competitions.
- 24.12 Every player may be subject to in-competition testing at the matches in which the player competes and to out-of-competition testing at any time and place.
